Worldskills Australia VET Hospitality Competition.

The year 11 Hospitality students competed in the World Skills Competition at Carlingford High School during week 3 Term 3. The task was to challenge the students and their understanding of the principles and methods of cookery as well as promoting their passion for the Hospitality Industry.

The competition project required the students to prepare and present the following menu:

- Caesar Salad
- Crumbed Chicken
- Turned Potatoes, Glazed Carrots and Zucchini
- Poached Pear with Creme Anglaise

The skills judged included: Mise en Place, benchwork, workflow and time management, OH&S, hygiene, portion control, platting, presentation and garnishes.

This competition aims to test the student's skills against their peers within the school, region, state and at national level. Our year 11 Hospitality students participated at the school level. The top two students, Ediz Bertan and Reagan McDougall were nominated to participate at the Regional Competition which was held at Ku-ring-gai High School on the 3rd of September.

By participating in this competition the students gained expertise and skills, giving them an insight to the workplace practices and standards required in a highly competitive industry.

Congratulations to Ediz and Reagan for their dedication and high achievements.
