March 1 was the Zone Swimming Carnival at Homebush Aquatic Centre. Carlingford took a team of approximately fifty students. This year we had some depth with our swimmers especially with our senior girls which is great to see. We had some strong performances throughout the day, one of our best was winning the Girls 15 Years 4/50m relay. Some of our other swimmers also achieved great results. Lauren Cantrill came overall second at the carnival in the 13 Years Girls and Annika Linder placed 3rd overall in the Girls 15Years age group. A fantastic effort by all swimmers helped us secure fifth place overall and sees us send seven swimmers through to Regional Carnival which will be held at Woy Woy Aquatic Centre on the March 17.

The following students have qualified for regional Swimming.

Lauren Cantrill
Rachael Cantrill
James Deagle
Jason Lee
Annika Linder
Natalie Linder
Domonic Wong

Shar Squires (Sports Co-Ordinator)
PS Cross Country Carnival coming Week 9.
Congratulations:

Holly Jenkins has qualified to compete at the Australian Youth Athletics Championships at Homebush in March.

Good Luck Elizabeth Barron, Thu Han Wai competing in NSW CHS Tennis Individual Championships March 16—18 2010.

Mathematics Competitions

Carlingford High School is taking part in a number of mathematics competitions this year. The Maths Faculty believe that there are a significant number of students at the school who would greatly benefit from exposure to higher level problem solving opportunities in this subject.

Maths Challenge

Years 8 to 10 students who achieved 95% or higher in last year’s Australian Maths Competition are invited to take part. This year, 6 students will be involved. The competition is run over a 3 week period, with students attempting 6 questions at home without any help.

Mathsearch

Designed for talented Year 11 students. This competition involves students taking home a set of difficult problems to work on over a 2 week period. Outstanding results could lead to selection to the National Mathematics Summer School which is held in January 2011 at ANU in Canberra.

Australian Maths Competition

Soon, a note will be sent home with students from all the top Maths classes, 7R, 8M1, 8M2, 9M31, 9M32, 9M33, 9M34, 10M31, 10M32, 10M33, 11M11, 11M12, 11M13, 11M14, 12M11, 12M12 and 12M13, requesting that $5 be paid to the front office before the end of term. Students from other classes are also invited to take part. We are hoping to get over 200 students involved in the competition again this year.

Maths Olympiad

This competition is made up of 5 sets of 1 mark questions, where students undertake a test in class each month, starting in May. This year, selected Year 7 students, 8M1 and 8M2 have been registered to take part. More information will be sent home before the first Olympiad is handed out.

National Mathematics Day

Yes, there is actually a National Mathematics Day. If interested, take a look at the AAMT (Australian Association of Mathematics Teachers) website for more information. We’ll be doing some things for it in class on the day, but it would also be good to have some support from home as well. There is more information to come about this day.

I thank all parents and students in advance for making the effort to get involved in one or more of the activities mentioned above, and wish all students the best of luck in their endeavours.

CARNIVALE 2121

IT’S ON AGAIN!

When: SUNDAY 28 MARCH 2010, midday - 8.00pm
Where: NORTH EPPING OVAL, Boundary Road, Nth Epping

On Sunday March 28, North Epping Oval will come alive with the sights, sounds and aromas of the entire 2121 community. Sunday March 28 is known nationally as NEIGHBOUR DAY and as such we have decided to pull the entire 2121 community together again to celebrate.

CARNIVALE 2121 in 2010 will be a magnificent day of fun for all the family. There will be carnival rides and activities, food stalls from around the world, face painting, jumping castles, an animal friendship farm and a centre stage highlighting bands and performers from the cream of our local talent and beyond.

Your SUPPORT is needed to make this Family Fun Day a tremendous success, so come along and enjoy the day with your family, friends and neighbours.

For more information please email: carnivale2121@bigpond.com or contact Rob Neil on 0409 768 771.

Sometimes you
Think that you
Need to be perfect.
That you cannot make mis-
takes.
At these times
You put so much
Pressure on yourself.
I wish that you
Would realise
That you are a human be-
ing
Like everyone else….
Capable of reaching great
potential
But not capable of being
perfect.
So please
Just do your best
And realise that
This is enough.
Don’t compare yourself to
anyone.
Be happy to be
The wonderful
Unique, very special
Person that you are.

IF YOU HAVE ANY QUERIES OR DIFFICULTIES CONTACT STUDENT MONEY - MRS SCHOUTEN OR MRS NAYLOR.
From the P & C
Thank you to all the parents who came to the Year 7 Information Night on Fri 5 March. It was an informative evening and a great success with a large number of parents attending.

Thank you also to the P&C parents who helped out with supper on the night.

Sandra Berzins
P&C President

NOTES FROM THE OFFICE ON STUDENT PAYMENTS

- Payment Envelopes need to be dropped into the A Block locked payments box on arrival at school each day.
- Please ensure payments envelopes from school are used and the details are clearly printed and the envelope sealed. **Correct money is appreciated as there are no facilities for change.**
- All payments can be made by cash, cheque or credit card. For large sums of money credit card or cheque are preferred as these payments can be tracked easily.
- Credit card payments are available over the phone – please ask for Student Money where your details can be taken.
- Payments need to be made in full by the excursion cut-off date as there are financial commitments to venues and buses.
- All receipts are given to students at Roll Call after the excursion has been completed. Please check student bags for receipts.
- Building Fund receipts are sent to Roll Call classes as soon as they are received from the P&C Treasurer.
