Choir Excursion to an Acappella Workshop.

On March 30 2010 about fifty people from the choir attended an Acappella workshop at the Sydney Church of England Grammar School (SHORE). We all left early in the morning to travel to North Sydney, accompanied by Ms Chan and Ms Mullen. After a long train ride, compacted with people, we finally arrived. It was raining slightly but we quickly took refuge in the school hall and auditorium. There was a quick talk about what we were going to do and expect, before we dazzled by two groups of young Barber Shop Quartet singers, the ‘Petite Four’ from Perth (a travelling girls quartet) and the ‘Musical Island Boys’ (who were from New Zealand). Both groups performed for us a spectacular A Capella song including Babyface and Tonight, Tonight, making it a delightful opening for the audience. Not long after the audience as a whole were asked to stand up and do some fun warm ups.

Next we split into girls and boys and each group rehearsed the song they had been learning over the past month. The girls were coached by the lead singer Macellus Washburn, and the Petite Four helped us put some dance moves to the music. We sang ‘One Fine Day’ and the boys sang ‘Come Fly with Me’.

Each group improved greatly with the help of the singers. All in all it was an awesome experience and thank you very much to Ms Chan and Ms Mullen.

Reckitt Benckiser HSC Business Studies Seminar

On 12 May 2010 Year 12 Business Studies students accompanied by Mrs. Wilkes and Mrs. Craven attended a series of seminars at Reckitt Benckiser, a global business located at West Ryde. Reckitt Benckiser is the world’s leader in household cleaning products and a leading player in the health and personal care sector. Its brands include well known products such as Pine-O-Cleen, Air Wick, Mortein, Aerogard, Dettol, Lemsip and Veet. The Business Studies syllabus requires students to incorporate case study material in their responses for the HSC so our students are extremely fortunate to have the expertise of people actually working in the field.

The seminars consisted of presentations by core personnel on each of the topics covered in the Year 12 syllabus; Business Management and Change, Financial Planning and Management, Marketing, Employment Relations and Global Business. Carlingford High is one of only two schools that are privileged to have established this invaluable business link.

Mrs. Wilkes
