Year 9 Timber Challenge Team

On Friday 21st May, four Carlingford High Year 9 Industrial Technology - Timber students competed in a heat of the state wide knock out timber competition run by the Institute of Industrial Arts Technology Education association. Carlingford fought valiantly against rival teams from Asquith Boys and Pennant Hills High, the students were given two hours to complete four identical projects as a team, with the results to be determined this week. As you can see the four team members were concentrating on completing a perfect project and being safe at all times. The team members were: Ben Henry, Marko Prgomet, Gabriel Asatryan and Kelvin Lau (late super sub). Mr Stewart.
Congratulations:

A quote from the judges: “congratulations to Carlingford competitors that worked on job H. This was a beautiful piece of work and the best single project”

BOYS VOLLEYBALL

On Friday 14th May I had the privilege of accompanying the Carlingford High School Boys Volleyball team to a competition at Homebush. The team included Tony Yu, Vincent Yang, Jason Laffer (captain/coach), Andrew Xiang, Ivan Zhu, Edward Yang, Trevor Li, Wellen Fu and David Sung. The draw led us to play Sydney Boys High, Prairiewood High, Morisset High and Baulkham Hills High and although we missed the semi final by one point, overall the day was a highly charged and enjoyable experience.

LOST PROPERTY
THERE IS A HUGE AMOUNT OF LOST PROPERTY IN A BLOCK OFFICE. IF YOU HAVE LOST ANYTHING, WE MAY HAVE IT.
COME AND HAVE A LOOK! RECESS OR LUNCH,
Many thanks to Mr Laffer, Mrs Yu and Mrs Yang who assisted by transporting the players to the venue.

Congratulations to Jason Laffer, Andrew Xiang, Trevor Li and Wellen Fu, who have all been offered places in a state team.

Stunning Results in the Australian Geography Competition.

The Australian Geography Competition is run by the National Geographic Channel on pay TV and the Australian Geography Teacher’s Association and it sets students some pretty challenging questions. Fifteen Carlingford students bravely entered the competition and they achieved stunning results. 47% of students achieved a Distinction. The seven students are David Ho, Smeet Shah, Jessie He, Richard Lam, Eugene Lu, Daniel Luk and Jack Skelton. 20% achieved a credit. (Saveen Sudarshan, Candice Skelton and Thu Han Wai). 33% achieved a participation (compared to 50% for the whole competition). Congratulations to these students. We would be lost without them! They will be receiving their certificates shortly.

J Hain, Head Teacher, Social Science.

From the P & C

The next P&C meeting will be held on 9 June, at 7.30pm in the Library. Our Guest Speakers will be the new SRC Presidents Ali Deagle and Andrew Davis now known as “Double A”. We look forward to their presentation. At our May meeting David Erwin Head Teacher Computing Studies gave a great tour of the school intranet and talked about the many changes coming our way on the Intranet. It was a very interesting and informative presentation - it was a pity not many parents took advantage of this opportunity to view the school website and see what a useful learning tool it is.—Leonie Jenkins, Secretary
